Hw10 Documentation

Test Result

Number of keys = 100000

HashMap average total insert time = 33
ArrayList average total insert time = 13
LinkedList average total insert time = 3

HashMap average total search time = 15
ArrayList average total search time = 119978
LinkedList average total search time = 312372

HashMap does great balance of insertion and searching, especially significantly decreases searching time!
